84 Im fal ling from cloud nine

I'm wide awake
 Not losing any sleep
 Picked up every piece
 And landed on my feet
 I'm wide awake
 Need nothing to complete myself - nooohooo

I'm wide awake
 Yeah, I am born again
 Outta the lion's den
 I don't have to pretend
 And it's too late
 The story's over now, the end

(Pre-Chorus)
 I wish I knew then
 What I know now
 Wouldn't dive in
 Wouldn't bow down
 Gravity hurts
 You made it so sweet
 Till I woke up on
 On the concrete

(Chorus)
 Falling from cloud 9
 Crashing from the high
 I'm letting go tonight (yeah, I'm letting go)
 I'm Falling from cloud 9
